Summary Insight

Key Financials

- Net vs Gross:** Net Sales (347.0B) nearly match Gross Revenue (347.2B), proving zero leakage from returns or excessive discounting.
- Profit Margin:** Total Profit reached 98.5B, securing a healthy net profit margin of 28.3%.
- Transaction:** Total sales were driven by 672.5K transactions over the 4-year period.

YoY Trends

- 2021 Drop:** Revenue hit a sharp decline in 2021, bottoming out at around ~86.3B.
- Consistent Rebound:** The business successfully recovered through 2022-2023, climbing back up near 87.5B.

Regional Performance

- Jawa Barat Leader:** Holds an absolute monopoly on growth, leading with the highest transactions (~200K) and sales (>100B).
- Top Followers:** Sumatera Utara and Jawa Tengah solidly secure the 2nd and 3rd positions.
- Profit Concentration:** The highest net profits remain tightly clustered in Java and parts of Sumatera.

Branch Rating Anomaly

- High Service:** The Pematangsiantar branch leads customer satisfaction with the highest service rating (4.83).
- Checkout Friction:** However, its transaction rating is the lowest (3.99), mirroring the Sorong branch.
- Root Cause:** Customers highly value the staff, but face frustrations at checkout (e.g., slow POS systems or long payment queues).
